 Commissioner for Patents

 Alexandria, VA 22313-1450

Dear Sir/Madam:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, and in accordance with the practice under 37 C.F.R. §§ 1.97 and 1.98, the Examiner's attention is directed to the documents listed on the enclosed Form PTO/SB/08A. Copies of the listed documents are enclosed.

Certain of the listed documents, which are identified in a copy of a Supplementary European Search Report enclosed herewith, were cited during prosecution of a European patent application corresponding to the above U.S. application. It should be noted that U.S. Publ. No. 2002/0152267 cited in the Supplementary European Search Report was previously made of record in the present application by the Examiner (See the Notice of References Cited, Form PTO-892, mailed with the Office Action mail-dated April 17, 2006). The other reference listed on the attached Form PTO/SB/08A, U.S. Publ. No. 2004/0093349, was cited during prosecution of U.S. Application Serial No. 10/459,341, from which the present application claims benefit.

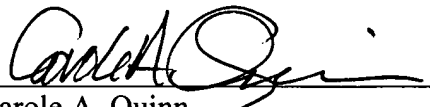

Since Applicants filed a Request For Continued Examination (RCE) and have not received an Office Action after the filing of the RCE, the Information Disclosure Statement, which is being filed under § 1.97(b)(4), is believed to be timely filed. The Examiner is requested to confirm that the submitted documents have been considered by initialing the appropriate portion of the Form PTO/SB/08A.

Applicant's undersigned attorney may be reached by phone in California (Pacific Standard Time) at (714) 708-6500. All correspondence should continue to be directed to the below-listed address.

In view of the above, no fee is believed to be required with the submission of this Information Disclosure Statement. In the event that any fee is required, however, the Commissioner is hereby authorized to charge such amount to Deposit Account No. 50-2638.

Respectfully submitted,

Date: January 30, 2007
